

THE IDEAL SOLUTION FOR YOUR SPECIFIC TRANSPORT

Scanfor

INTERNATIONAL FORWARDING

- Scanfor established in 1993, built from haulier “Transport Mertens”
- Scanfor’s first move was to offer service to the Scandinavian market
- After reaching this goal we expanded and started our own offices in Finland and Sweden
- After the split of the Soviet Union, Scanfor saw the opportunity to offer services to and from Eastern Europe
- To support further growth of our quality services, we started our own offices in Russia, Estonia and Slovakia to cover all Baltic States, Russia and Eastern Europe
- In 2010 we opened our own office in France
- In 2013 we opened our Spanish office
